Reminders

Please know that the late pick-up fee is \$1.00 per minute, PER CHILD after 6:00 PM.

Please remember to pack your students extra snacks and water specifically for aftercare.

It is extremely important that we are made aware if your child(ren) will be attending tryouts, clubs, or getting home a different way, instead of coming to aftercare, so that we can ensure all students are safe and in their designated area. If we aren't notified that your student will be attending aftercare for some reason, they will NOT be released unless you come in to sign the student out. Sending an email to their teacher alone will not suffice unless you CC/BCC us in the email.
